HOWELL GUN CLUB
15 SEPT 07 RIMFIRE SPORTER MATCH REPORT

CMP Rimfire Sporter Match

The Howell Gun Club Rifle Committee has been very active on behalf of the membership of the Howell Gun Club. We've sponsored a CMP sanctioned Rimfire Sporter Match on 15 September with the intent to encourage adults, families and youth to compete in a 3-position rifle match. The Rifle Committee goal is to identify, train and assist adults and families who would like to shoot during the CMP Rimfire Match held in mid-July 2008 at Camp Perry.

The weather was cool and clear and all shooters appeared to have a great time. We had 21 shooters with 2 ladies and 8 kids (Five Cub Scouts from Brighton Pack 347). Both of the ladies were new shooters with Lynn Gull returning from her positive experience learned from Women-On-Target. Lynn won the Open Sight class with a 510/600! Jeff Knop won Telescopic Class with a 585/600-17X barely edging out Greg Patyk by 2-X. Junior Category: Will Knop (Cub Scout) earned first place in the youth category followed by Cub Scout Gage Smego and Cub Scout Matt Knop.

All of the kids had a great time, demonstrated safety and basic marksmanship, and are excited to return to our next Rimfire shoot and want to travel to Camp Perry. A special thanks for the support of Parents from Cub Scout Troop 347 and especially to one of the Mom's for participating in the cold and shooting next to her son!

All proceeds from this match go towards supporting the "M1 for Vets" Program. There will be a M1 for Vets Match on 20 OCT.
