

# RIFLE COACH SCHOOL

DEL VALLE HIGH SCHOOL; EL PASO, TEXAS

JANUARY 20 AND 21, 2007

## COACHES / INSTRUCTORS:

We will hold an NRA coach course that is required for certification. It will be held at Del Valle High School in El Paso, TX on the above dates. The course will begin on Saturday at 0800 and press on so we can secure early on Sunday. We will have National Coach Development Staff members presenting and overseeing the course including Mr. Howard (HQ) Moody from NRA Sports.

The position rifle course would cost at least \$150 per person but thanks to The American Legion, the tuition is paid. The only fee you will incur is a registration fee. We are opening the class for junior coaches so if you have young shooters that are interested, let me know – you can't beat the deal and it sure helps having a "peer coaching" situation. Registration fee for adult coaches is \$20.00 and \$10.00 for each junior shooter/cadet.

The El Paso area has not had this school conducted here before to my knowledge, and since there are so many shooting programs and interest here it is a great opportunity to significantly increase the quality of our air rifle competition. Course size is limited so please respond soonest with your name (and cadet's names), organization, and phone numbers to LTC Gary Crafton at (915) 434-3183, email [gcrafton@yisd.net](mailto:gcrafton@yisd.net), or fax (915) 858-1427. Make checks payable to the Del Valle High School JROTC.

**LOCATION:** The course will be conducted in the Del Valle JROTC classroom and range. Del Valle is on the far east side of El Paso and easily accessible from I-10. Take the Americas exit and go south...Enter the highway/loop 375. Take the very next exit/North Loop and go right at the light. Turn right at the next light/Bordeaux Drive. Drive around the left of the school and park in the rear. Enter JROTC under the "Conquistador Battalion" JROTC sign.

Thanks!!

Gary
