Daisy National BB Gun Championship Match Teams

Only members of the winning 1st, 2nd or 3rd place teams at this state match or their designated team alternates will be allowed to shoot at the DNBBGCM to be held in Rogers, Arkansas in July of 2014. In the event that a 1st, 2nd, or 3rd place team is unable to attend the DNBBGCM the next highest scoring team will be invited to attend. Each 1st, 2nd or 3rd place team traveling to and competing in the IBBGCM will receive a \$1000.00 Visa travel voucher.

NO PICK-UP OR STATE ALL STAR TEAMS ARE ALLOWED AT THE DNBBGCM.

CONSECUTIVE MATCH EXCLUSION:

Individuals who competed as regular members of a team at the DNBBGCM can not compete as a regular team member at the State and/or DNBBGCM the following year. This rule

assures that new shooters will get a chance to compete. It is the responsibility of the team's coach to assure that all participants meet this requirement.

*Team members or individuals that competed last year at the DNBBGC will not be able to compete as a regular team member at the State Match or DNBBGC again this year. (Please refer to the DNBBGC rules for details.) Coaches must be aware of this rule when building teams for the state competition. However to allow these "alumni" shooters a chance to compete a special "alumni only" category will be established for individual only competition. Alumni shooters will compete in all four shooting categories (prone, standing, kneeling, and sitting) but not in exam. The top three overall winners will be recognized for an award.

CONDUCT OF THE TOURNAMENT:

Safety is the number one concern of all match officials, adult leaders and competitors. Proper safety procedures will be enforced at all times. During competition, infractions will be noted and one warning will be issued to the shooter and his/her coach. A second infraction will result in disqualification of the shooter.

Rules: The National Rifle Association 5-Meter BB Gun Rules and the Official Match Program will govern local and State Championship Matches unless modified by a Match Director's Bulletin. Such Bulletin will be published separately from this Match Program and posted on the Official Match Scoreboard. Conduct in the Arkansas State BB Gun Championship Match will be governed by this DBBBGC Rules and Policies, Arkansas State Official Match Program and the current NRA 5-Meter BB Gun Rules.

COURSE OF FIRE:

The BB gun match consists of 40 shots for record fired at 5 meters(16ft. 4 ¾ inches) in four stages with a 10 minute time limit for each stage as follows:

MATCH 1: 10 Shots from the Prone Position, NRA Rule 5.6.

MATCH 3: 10 Shots from the Sitting Position, NRA Rule 5.8.

TARGET: The official target for the IBBGCM will be the NRA 5-Meter BB Gun Target AR-4/10.*

* Please note: New This Year, the Arkansas State BB Gun Competition will utilize the Orion Scoring System.

WRITTEN TEST:

In addition to the regular course of fire as outlined above, each competitor at the Arkansas BB Gun Championship Match will be required to take a written test covering topics on gun safety and marksmanship. Source material for the test will be the Daisy 10 Lesson Curriculum

Guide and the NRA 5 Meter BB Gun Rule book. The exam will be worth 100 points and will be equal in points to any one of the firing stages. Exam scores will be calculated in team totals to determine the overall winning team. Written score will also be used in aggregate scores for Alternate and Team Member Individual scores.
